BUILDING MATERIALS TRADING LLC

INTRODUCTION TO REALITY

As an introduction, **Reality Group** is a diversified company with strong roots in the building materials industry. *Reality Building Materials Trading LLC* for building materials, *Red Chillies Interiors LLC* for interior design and fit-outs, *Divine Power Electromechanical Works LLC* for MEP and infrastructure solutions and *Reality Technologies LLC* for computer hardware, software, AV and IT solutions. We bring integrated expertise and proven prowess to deliver complete, high-quality solutions across construction and design.

Our Group of companies:

Founded in **1977**, a reliable solution provider of products to build, maintain, repair or operate a facility, at **NOOR AL HUTAIB TRADING LLC**, We believe in going beyond just "selling" a product, but ensuring that we offer you an end-to end solution. Ours is a holistic approach, from evaluating customer needs through to on-site deployment we partner with you ensuring that you "get the job done", with 2 Locations in the United Arab Emirates, equipped with dedicated sales staff, stock, a fleet of delivery vehicles and an established supply chain, we are well positioned to meet your industrial supply requirements throughout UAE & beyond.

Reality Building Materials Trading LLC is a trusted name in the building materials industry, dedicated to supplying high-quality products that deliver reliable results. With a vision to be the preferred partner for contractors, builders, and professionals, we simplify the procurement process by offering a comprehensive range of materials under one roof. Our product portfolio covers power tools, paints, hardware, welding equipment, industrial tools, plumbing & sanitary solutions, wood & timber, plywood, and gypsum products. Backed by over 40,000 SKUs from leading global brands, we ensure strength, durability, and long-lasting performance in every project. For further details, please visit <https://realitybm.com>

Red Chillies Interiors LLC combines architecture insight with interior finesse to deliver spaces that are both expressive and efficient which transforms Homes & Commercial Spaces Across GCC With Premium Quality & Detail. The practice thrives on collaboration, Material innovation, and a hands-on approach—from concept to completion and we deal with Interior Architecture & Design, Custom Joinery & Built-In Units, Bespoke Furniture, Wall & Ceiling Elements, Landscaping, Specialty Items, etc. For further details, please visit <https://www.redchilliesinteriors.com>

Divine Power Electromechanical Works LLC is a dynamic and forward-thinking Mechanical, Electrical, and Plumbing (MEP) and infrastructure works contracting company founded in 2025, with a commitment to excellence and innovation. We provide integrated and cost-effective MEP and infrastructure solutions for a wide range of projects across the UAE. Our service includes Main MEP works, MEP maintenance, Infrastructure works, Engineering Service, QS & Planning services. Scope of works we take care of are Comprehensive MEP Services Mechanical Systems, Electrical Systems, Plumbing & Drainage, Fire & Life Safety, etc. We offer end-to-end MEP and infrastructure solutions covering the entire project lifecycle from design to maintenance, with specialized expertise including construction NOC and final account closure from the end client. For further details, please visit <https://divinemep.com>

Reality Technologies LLC, we are a dynamic and innovative technology company that specializes in providing cutting-edge ELV, Security, Automation and IT solutions to businesses and individuals. For more than ten years, we've honed our craft in the industry, building solutions that are as clean in execution as they are strong in performance. Every project is shaped with long-term stability in mind, designed to stand firm as technology and user needs evolve. We deal with Structured Cabling, Networking, Security Solutions, Wireless Solutions, Efficient telephonic solutions, Home & Office Automation, AV and Conference Room Solutions with Comprehensive AMC services, etc. For further details, please visit <https://realitytechnologies.ae>

INTRODUCTION TO

DPWORKS

ENGINEERING ENERGY, DELIVERING EXCELLENCE

Engineering Excellence, Delivered with Integrity

Divine Power Electromechanical Works LLC is a dynamic and forward-thinking Mechanical, Electrical, and Plumbing (MEP) contracting and Infrastructure company, founded in 2025. With a commitment to excellence and innovation, we provide integrated and cost-effective MEP solutions for a wide range of projects across the UAE specially in Dubai and Northern Emirates.

Mission, Vision and Core Values

Deliver superior MEP services by exceeding client expectations, embracing innovation with the latest technologies, and fostering a culture of excellence. We work closely with Clients/Consultants to provide tailor-

To be the leading MEP contractor in UAE by 2030, recognized for our unwavering commitment to quality, timely project delivery, and exceptional client satisfaction. We aspire to build a reputation as a trusted partner, contributing to the development of smart and sustainable infrastructure using latest technologies like BIM, MEP, Modular Systems,

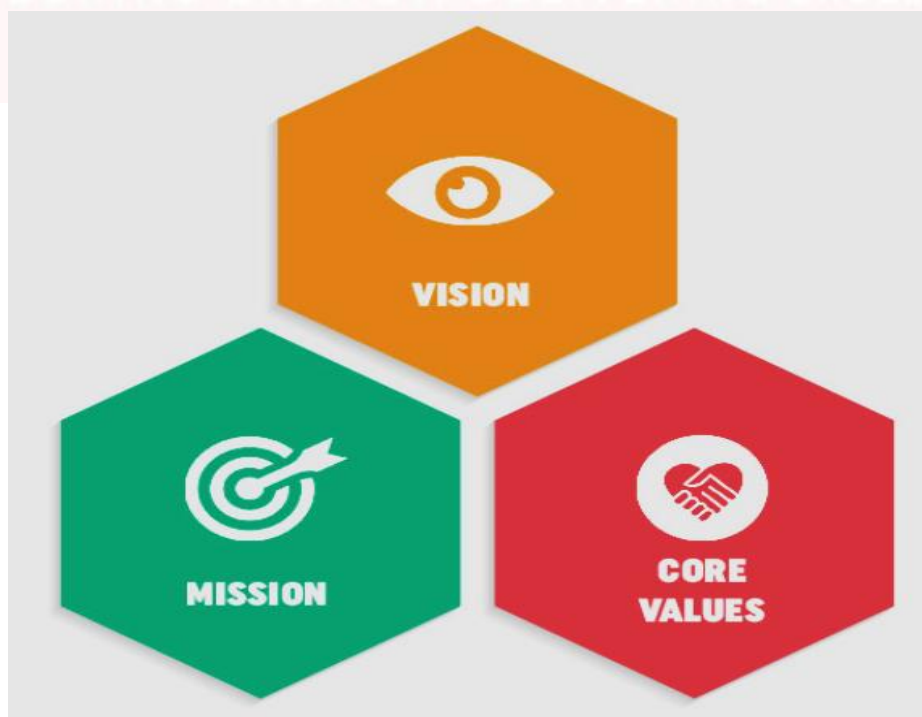

Integrity: We conduct business with honesty, transparency, and ethical conduct, building lasting relationships based on trust

Quality: Committed to delivering top-tier workmanship and materials that ensure safety, functionality, and longevity

Innovation: We embrace new technologies and creative problem-solving to deliver smart and efficient solutions.

Safety: Zero-tolerance policy for unsafe practices. The well-being

Working Sectors and Expertise

Main MEP Works

MEP Maintenance

Infrastructure Works

Engineering (Drafting)
Services

QS & Planning Services

Powering Projects with Precision.

At **Divine Power Electromechanical Works LLC**, we specialize in complete **MEP design, installation, testing, commissioning including authority approvals, handover and execution across** commercial, residential, and industrial projects. From Electrical/ELV systems and HVAC to plumbing and fire protection, our expert engineers deliver integrated solutions built on efficiency and compliance. Every project is executed with safety, sustainability, and precision at its core.

Our Capabilities:

- Electrical installations and LV/MV distribution
- HVAC systems (design, ducting, installation, testing & commissioning)
- Plumbing, drainage, and water supply
- Fire fighting & alarm systems
- ELV and control systems integration
- MEP modular (pre-fab) installations
- Testing, commissioning & documentation

→ **Building reliable systems that power every modern space.**

Services

QS & Planning Services

Engineering the Backbone of Tomorrow.

Our **Infrastructure Division** focuses on large-scale development and utility projects that form the foundation of modern living. With dedicated NOC engineers, project managers, and QS teams, we handle every aspect of civil-electromechanical infrastructure from planning to execution. We execute both lump sum and remeasurable contracts.

Core Expertise:

- Utility network design (water, sewerage, storm water, landscape and irrigation networks, electrical including SCADA works, telecom, chilled water, LPG, fire fighting hydrant, etc.)
- Street lighting & cabling works including solar panel installations
- Pumping stations & control systems
- NOC coordination and authority approvals
- Project estimation, tendering, and documentation support

→ **Building infrastructure that connects and sustains communities.**

Services

QS & Planning Services

Prevent. Protect. Perform.

Our **MEP Maintenance Division** ensures your systems stay efficient and compliant year-round. From routine servicing to emergency repairs, our technicians provide a proactive approach that minimizes downtime and extends asset life. We service residential towers, commercial complexes, and industrial facilities with 24/7 reliability with our experience associates.

Our Services Include:

- Dedicated team for handling of DLP period for our handed over MEP projects.
 - All kind of MEP retrofit and Fitout works
 - Comprehensive annual maintenance contracts (AMC)
 - Electrical & plumbing troubleshooting
 - HVAC inspection, filter replacement, duct cleaning and coil cleaning
 - Pump and motor servicing
 - Thermal imaging & performance testing
 - All kind of electrical trouble shooting and power quality solution provider
 - Emergency call-outs & on-site support
- **Dependable maintenance that keeps your operations running smoothly.**

Services

QS & Planning Services

Precision Drawn to Perfection.

Our in-house and offshore **Drafting Team** provides detailed MEP, Infrastructure, BIM, and coordination drawings that bring concepts to life. With offices in Dubai and India, and an experienced pool of freelancers, we deliver cost-efficient, detail-oriented drafting support for contractors, consultants, and developers.

We Offer:

- HVAC, electrical, plumbing, and firefighting layouts
 - 2D/3D BIM coordination models
 - Shop drawings and as-built documentation
 - Clash detection & system optimization
 - AutoCAD & Revit drafting support
 - Civil 3D development for the infrastructure works
- **Turning technical designs into flawless execution blueprints.**

- Main MEP Works
- MEP Maintenance
- Infrastructure Works
- Engineering (Drafting) Services
- QS & Planning Services

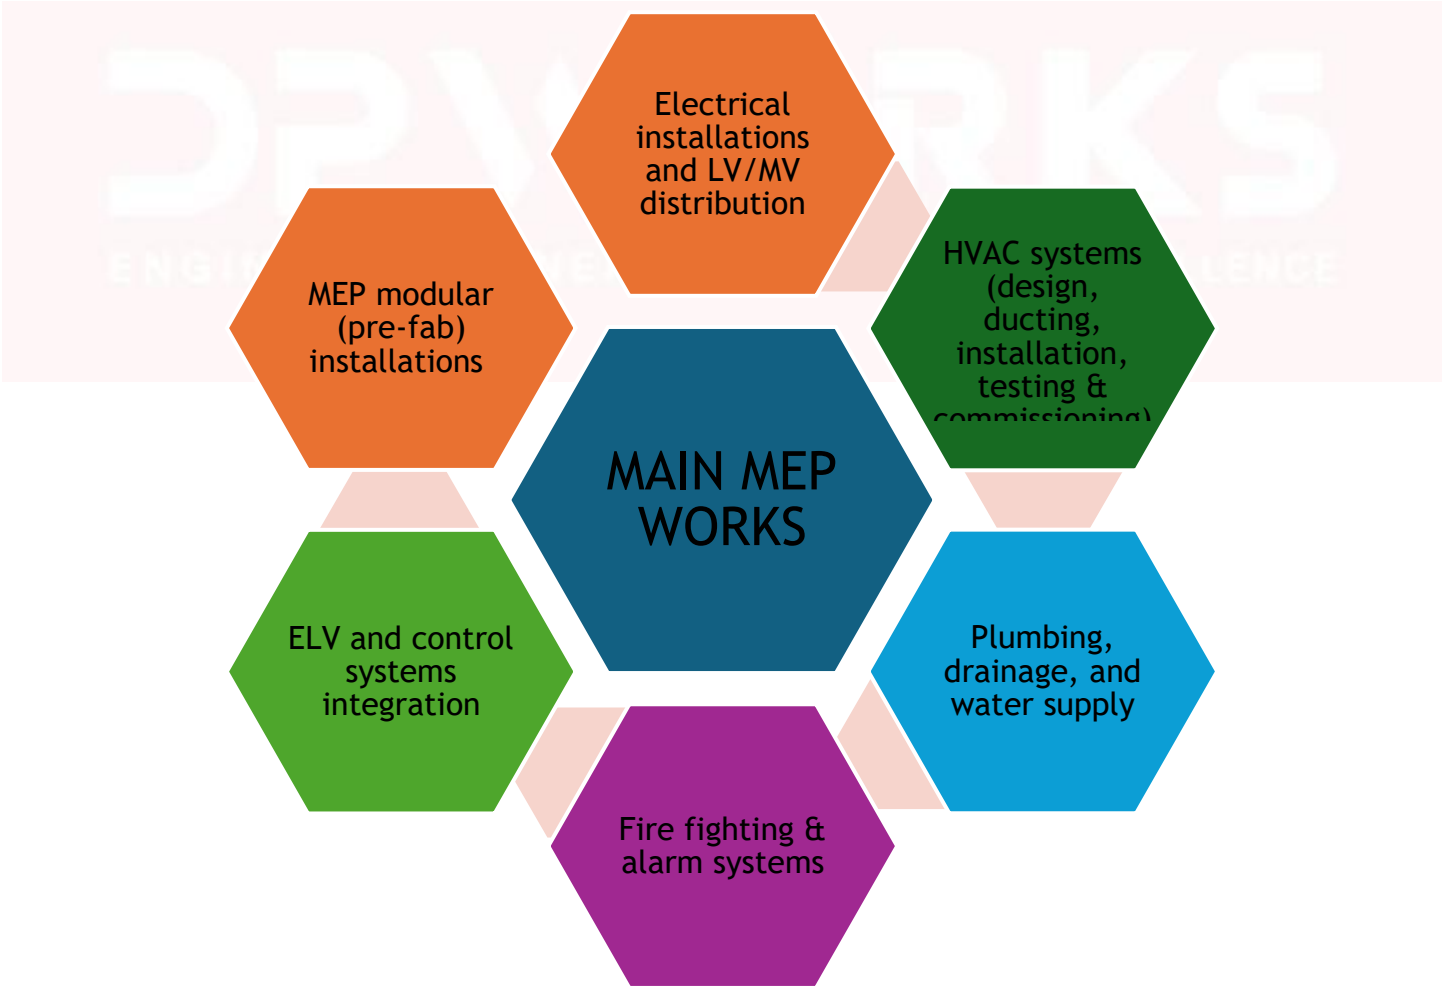

From Estimates to Excellence.

Our **Quantity Surveying & Planning Division** empowers clients with accurate cost forecasting, efficient scheduling, and dispute-free execution. Supported by experienced full time and freelance QS professionals in Dubai, Sri Lanka, and India, we ensure every project remains on budget, on time, and on record.

Service Scope:

- Contract administration & claims management including EOT, Acceleration, etc
 - Variation notifications, claims, approvals, etc.
 - Cost estimation & tender documentation
 - BOQ preparation & material take-off
 - Project scheduling and progress monitoring
 - Dispute resolution & variation analysis
- **Delivering financial clarity and project control from start to finish.**

Key Strength of Divine Power and Other Group Companies

1. Most of the key management staff of DIVINE POWER have more than 20+ years of experience. Most of the experience is in the UAE.
2. One of our Group Company M/s. Noor Al Hutaib was established in 1977 followed by Reality Trading in Dubai, Sharjah and Fujairah for the building material sectors (all Civil and MEP needs in one roof). Later added RCI “One of the client's favorable interior companies in the region”, Divine Power for MEP and Infrastructure Works, Reality Technology for the ELV And IT infrastructure works.
3. Most of the key staff worked for the local corporate giant like M/s. Al Shirawi Electrical & Mechanical Engineering Co. LLC, M/s. Trinity Engineering Services LLC, etc. Similarly, they have delivered the high value MEP projects with MEP value of **AED. 250 million for the single project**
4. The same team has delivered many residential and commercial towers in Jumeirah Lakes Towers such as T2, F2, V1, G3, Tiffany, Indigo, Atria Tower, Hotels, Schools, Medical Centers, Community Development Projects, etc. including entire JLT car park and retails for MEP and Infrastructure works
5. Have worked with many prestigious clients, consultants and main contractors. The list can be seen in PQ documents page no. 16.
6. Provided engineering support for all your MEP and infrastructure works needs including local authority submissions and approvals.
7. We have a strong association with M/s. Sarun Contracting and M/s. Freesland Contracting who is having more than 500+ and 450+ work force respectively with them along with MEP engineers, Foreman/Supervisors, Project managers, etc.

Appreciation / Association

هيئة الطرق والمواصلات
ROADS & TRANSPORT AUTHORITY

Date: 24 /04 /2026

Reference: RTA/RAIA/RPPD/1622/2026

Dubai Electricity & Water Authority (DEWA)

P.O Box No. 564

Dubai, UAE

**Attention: Mr. Marwan Al Sabbagh – Vice President – Projects & Engineering –
Distribution Power**

Project: Dubai Metro Blue Line

**Subject: Request for NOC and Coordination for Temporary Power Connection – Labor
Camp**

Dear Sir,

We extend our gratitude for your continued support of Roads & Transport Authority (RTA) projects and with regards to the above mentioned subject, we hereby inform you that the Blue Line Civil Works Joint Venture Contractor, Mapa-Limak (ML), has nominated the following parties to undertake the proposed temporary electrical works for the Labor Camp facility:

- M/s ITQAN Architectural Design Consultancy, P.O. Box 124249, Dubai, UAE – as Subconsultant.
- M/s Divine Power Electromechanical Works L.L.C, Dubai, UAE – as Subcontractor.

We hereby request DEWA to provide a temporary power connection to support the project's temporary labor camp facilities in Al Rowaiyah 3rd at plot No. 8140239, Please find below the necessary details for your kind action and approval:

1. Coordinates of the Targeted Area:

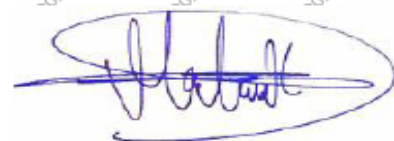

S.NO.	EASTING	NORTHING
1	509414.468	2775078.759
2	509414.334	2774818.835
3	509066.894	2774838.142
4	508813.104	2774851.244
5	508813.266	2774993.93
6	508957.456	2775078.995

2. Total Load Required: 17.2 MW

3. Target Date for Connection: We kindly request the temporary power connection to be made available by **mid of Jun 2026** to meet the project execution schedule.

We appreciate your support to the Contractor and your approval as per process and to kindly issue the required NOC approval for the temporary electrical connection works. The required supporting documents/attachments are enclosed herewith for your kind reference.

For further coordination or clarifications in this matter, Kindly contact Mr. Talal Rajab, Senior Chief Engineer, Rail Construction Projects Section, Rail Planning & Projects Development Department, on Mob: 055- 2500250 Office Tel: 04-290 2279 or on email: talal.rajab@rta.ae.

Dear Mr. Gaurav,

On behalf of **Red Chillies Interiors L.L.C.**, I would like to extend our sincere appreciation to M/s. Divine Power Electromechanical Works LLC, for your exceptional performance and unwavering commitment throughout our recent collaboration.

Your team's professionalism, technical expertise, and proactive approach have been instrumental in the successful execution of the MEP works, including HVAC Supply & Installation, Plumbing & Drainage Works, Fire Fighting, Main & Sub DB, Lighting & Power Points, Water Supply & Distribution Piping, Sanitary & Drainage Piping, and Hot & Cold Water System. From the initial planning stages to final delivery, your attention to detail, timely coordination, and adherence to quality standards have exceeded our expectations.

We particularly commend your leadership in ensuring seamless communication, transparent documentation, and efficient vendor management. It is rare to find a partner who consistently demonstrates such integrity, responsiveness, and dedication to excellence.

We look forward to continuing our partnership and achieving even greater milestones together. Please convey our gratitude to your entire team for their outstanding efforts.

Quality And HSE Policy

Divine Power Electromechanical Works LLC

(A Part of the REALITY GROUP)

Office : 4-07 (Ground Floor) Building 4, 1 & 2, 3

HEALTH, SAFETY & ENVIRONMENTAL POLICY

DP Works is committed to provide services for MEP and Infrastructure and related works in an efficient manner with investment in sound HSE processes to inculcate a robust HSE culture in all areas of its operation.

We strive for the prevention of ill health, proactive control of pandemic, injury and pollution while pursuing the continual improvement of the organization's health, safety & environmental performance. This commitment is in the interest of our customers, employees, visitors, contractors and other stake holders with whom we interact.

We will achieve our aim by following these objectives:

- Monitoring, measuring and continually improving the HSE performance through a regular review of our objectives
- Implementing programs to achieve the protection of environment and to eliminate hazards and reduce Health & Safety risks
- Encouraging our employees and our subcontractors to report any health, safety and environmental concerns they may have in order to ensure the active participation of all our stakeholders in achieving our organizational goals.
- Conducting regular training and development to enhance the competency levels of our employees and our subcontractors.
- Continuously monitoring, recording and analyzing health, safety and environmental incidents during work activities and taking appropriate actions.
- Complying with all applicable health, safety, environmental, legal and other requirements to which we subscribe.
- Promoting the HSE management system and ensuring its effectiveness on process through periodical internal auditing, management reviews, corrective actions and sharing of the best practices through lessons learned workshops.

DP Works requires the collective participation, commitment and accountability for HSE practices from all interested parties. Line managers should play a vital leadership role in the communication, implementation and ensuring compliance of HSE policy and standards. Every employee of the organization is expected to adopt this policy and co-operate to maintain a clean, healthy and safe work environment.

The above policy shall be reviewed at regular intervals to ensure ongoing suitability.
